

Is your tech making managing cases
and your practice easier?
Or is it another demand on your time?

It's Time To Think Simple

Hello@SimpleLaw.com

Simple to Learn and Use

Simple doesn't mean basic. It means easily understood. That's us.

Instant Network

Co-counsel, on-demand paralegals, and potential clients.

Localized Data Risk

Each account has a unique URL, localizing data risk issues.

Full Case Management

Billing, tasks, calendar sync, notes, document automation, & more.

Fits Your Firm

Unique account means custom options to meet your firm's needs.

Robust and Custom Reports

Gain a deeper understanding of your firm, metrics, and results.

“SimpleLaw gives us the tools we need without complications. It's easy to learn and use. Our adoption process was so smooth.”
